## **PHILOSOPHY**

Holy Redeemer School, a part of the Catholic Diocesan School system, pledges itself to the education of the "whole person" by providing a Christian atmosphere where spiritual and moral standards are exemplified and stressed. It endeavors to give each student an understanding of the importance of intellectual, physical, emotional and spiritual growth within an atmosphere of warmth, friendliness and concern. Holy Redeemer School is one of the ways in which Holy Redeemer Parish fulfills the mission of the church "to teach all nations." Catholic values and beliefs are taken seriously at Holy Redeemer School. It is a school striving for a balanced life. Enrollment at Holy Redeemer is an indication of the readiness to comply with the rules and regulations contained in the parent/student handbook.

The following Mission Statement was adopted by the school as part of the Performance Based Accreditation process in 1994.

**HOLY REDEEMER SCHOOL, WITH CHRIST AS ITS FOCUS, IS AN INTEGRAL PART OF THE PARISH COMMUNITY. ALL MEMBERS OF OUR COMMUNITY ARE COMMITTED TO CREATING A SAFE LEARNING ENVIRONMENT WHERE WE TREAT ALL WITH RESPECT AND DIGNITY, THUS ENABLING THE STUDENT TO DEVELOP SPIRITUALLY, MENTALLY, PHYSICALLY AND SOCIALLY. THROUGH THE CURRICULUM WE CHALLENGE EACH STUDENT TO STRIVE FOR ACADEMIC EXCELLENCE, DEVELOP A DESIRE FOR LIFE LONG LEARNING, AND PREPARE FOR A LIFE AS AN ACTIVE CHRISTIAN.**

The following are statements on which we base our philosophy:

**WE BELIEVE that:**

- ❖ The Ten Commandments and the Beatitudes are the model for an effective Christian life.
- ❖ We are responsible for the education of any K-8 child from our parish who wants to attend a Catholic school.
- ❖ We must support the efforts of parents to rear self-disciplined, responsible children.
- ❖ Each of us must be a role model for others.
- ❖ Each of us must respect authority.
- ❖ We must encourage children to develop self-discipline in a fair and consistent manner.
- ❖ All students have a right to a safe and orderly environment in which to learn.
- ❖ All children can learn.
- ❖ Positive consequences should result from positive, appropriate behavior. Inappropriate behavior should result in negative consequences or sanctions.
- ❖ Each individual must be held responsible for his/her behavior.
- ❖ We must utilize all available resources to provide the best education possible for each student.
- ❖ It is only through open, mutually supportive communication and cooperation that we can achieve the above.

## **CODE OF CHRISTIAN CONDUCT**

The students' interest in receiving a quality, morally based education can only be served if students, parents, and school officials work together. Normally, differences between these individuals can be resolved. In some rare instances, however, the school may find it necessary, in its discretion, to require parents/guardians to withdraw their child.

It shall be an expressed condition of enrollment that the student behave in a manner, both on and off campus, that is consistent with the Christian principles of the school as determined by the school in its discretion. These principles include, but are not limited to, any policies, principles, or procedures set forth in any student/parent handbook of the school.

It shall be an expressed condition of enrollment that the parents/guardians of a student shall also conform themselves to standards of conduct that are consistent with the Christian principles of the school, as determined by the school in its discretion. These principles include, but are not limited to, any policies, principles, or procedures set forth in any student/parent handbook of the school.

These Christian principles further include, but are not limited to, the following:

Parents/guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral, and behavioral expectations of the school.

Students and parents/guardians may respectfully express their concerns about the school operation and its personnel.

However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile, or divisive.

These expectations for students and parents/guardians include, but are not limited to, all school-sponsored programs and events (e.g., extended care, athletics, field trips, etc.).

The school reserves the right to determine, in its discretion, which actions fall short of meeting the Christian principles of the school. Failure to follow these principles will normally result in a verbal or written warning to the student and/or parent/guardian and normally will first result in disciplinary action short of a requirement to withdraw from the school (e.g., suspension of student or suspension of parent/guardian's privilege to come on the campus grounds and/or participate in parish/school activities, volunteer work, athletics, etc.).

The school reserves the right to determine, in its discretion, when conduct is of such a severe nature as to warrant immediate action without a warning and/or without an intermediate step short of withdrawal.

## **CURRICULUM**

Holy Redeemer School, through the process of Public Law 221, is fully accredited by the Department of Education of the State of Indiana and is a member of the National Catholic Education Association. Holy Redeemer School follows the course of instruction issued by the Director of Schools of the Diocese of Evansville in accordance with the State of Indiana Course of Instruction and Proficiency Guide. Grades K-5 are taught in self-contained classrooms, grades 6-8 are departmentalized. Textbooks are updated according to the adoption cycle of the State of Indiana.

Following is a general outline of the curriculum. Specific questions concerning curriculum should be directed to the principal or teachers.

## **RELIGIOUS EDUCATION**

The family has the primary responsibility for religious education of the child and, as a partner in this process; Holy Redeemer School supports the family with daily religious education. It is the firm belief of Holy Redeemer Parish that without regular Sunday worship, participation in parish life, and a Christian home life, the effectiveness of the religion program is greatly diminished.

Religious instruction is given formally or informally daily. Prayer is a frequent, daily part of the program. Each student in grades K-8 attends Mass once a week with his/her own age group. This allows the liturgy to be planned with the students which provides for a more meaningful experience for them. On special feasts, Holy Days and holidays, the entire student body of grades K-8 worships together. Penance services and other Para

-liturgical services are also held periodically throughout the school year. We invite parents to worship at any of these children's services at any time.

The instruction in Religion is provided for all grades. The Catholic doctrine is presented so that the student can assimilate the learning of his or her faith into a real life pattern. Lessons combine doctrine, scripture, and liturgy which are appropriate for each grade level. Much time is devoted to integrating the values of Christian doctrine with social and civics education.

The curriculum offers a Family Life program which educates students in the areas of the family, self-understanding, maturity and psycho-sexual development, the ability to relate to other people, and the Christian principles and values which cannot be sufficiently treated in other areas of the curriculum.

First reception of the sacraments is at the following grade levels:

Reconciliation & Eucharist - Grade 2

Confirmation – High School

Parent meetings are held at the beginning of sacramental catechesis for the students. All parents of the students receiving these sacraments are expected to attend these sessions.

### **ENROLLMENT**

Students of any race, religion, color, sex, nationality, ethnic origin or handicap are admitted to all the rights and privileges, programs and activities generally accorded or made available to students at the school.

A child does not have to be a Catholic to attend Holy Redeemer School. Anyone who attends Holy Redeemer School is required to participate in the religion classes, prayers, special liturgies and the Mass. Holy Redeemer School is open to all and offers the same privileges and regulations to all regardless of race, creed or color. The school is a part of the ministry of Holy Redeemer Parish. The beliefs and practices of the Roman Catholic Faith are an integral part of the entire program. Tuition payments, made to Smart Tuition, must begin in June to ensure your child's placement in our school. If your family needs to move out of the area due to a job change, a refund may be requested on a pro-rated basis only and must be approved by the Pastor. tuition will not be refunded for any other reason. Any outstanding payments due for lunches or daycare will be deducted prior to refund.

### **NON-CUSTODIAL PARENT POLICY**

Upon request and unless prohibited by the court the school shall provide equal access to student records, notices, program announcements, etc., to both the mother and father and/or guardian of children whose parents are divorced. Copies of any restrictive court orders must be made available to the school before such access will be denied. Likewise, equal access to special school programs such as "school lunch" visitations and special "convocations" shall be made available to both parents unless specifically denied by order of the court. Forms for non-custodial parent request for information shall be developed and copies maintained by all parties concerned in order to avoid any unnecessary misunderstandings. Such forms shall name the student, the address and telephone number of the parent seeking access, and the specific access desired. Requests for information must be made annually.

Direct access to the student during school hours shall remain at the discretion of the school officials. School officials stand in loco parentis, which means they should consider as primary their responsibility to protect the welfare of the student.

Self-addressed stamped envelopes from requesting parties are necessary for materials to be mailed.

Adopted 04-03-95

### **ATTENDANCE POLICY**

Consistent daily school attendance is required for students to progress in sequential learning experiences and to maximize the benefits of class discussion, instruction and socialization experiences. There is an expectation of daily attendance and promptness in arrival. Repeated or prolonged absences will require a parent

conference and/or a written excuse from a physician. In cases of serious illness or rehabilitation following injuries the school staff will make every effort to work with the student and parent to keep the student up-to-date in their course work and to waive the attendance policy with documentation from a physician.

Absences will be excused and will not count toward the seven (7) day limit under the following circumstances provided that the absence has been arranged and cleared with the proper school staff:

- Death in immediate family
- Verified medical or dental appointment
- court appearance ordered by subpoena
- service as a page in Indiana Legislature
- approved service in an election (grades 7-8)
- approved school activity (prior permission must be obtained from the principal)
- family vacation (prior approval must be obtained from the principal)

All absences will be reflected on the student's record, but the above absences will not count toward the seven (7) day total.

Vacations during school time are discouraged, but realizing that there are extenuating circumstances and family activities are always encouraged by Holy Redeemer School, these will be approved when written requests are made in advance. Students will miss the class work assignments and grades of that period. Make up assignments are not provided.

#### **REPORTING STUDENT ABSENCES:**

Student absences must be reported by the parent/guardian before 9:00 am on the day of absence or, where circumstances require, a note on the following day.

#### **MAKE-UP WORK:**

Students have the responsibility to request missed class work or assignments upon return. This must occur on the first day back to school and teachers will set a reasonable deadline for when make-up work is due.

#### **LEAVING SCHOOL EARLY:**

Students who must leave school before the completion of the school day must receive the approval of the proper school authority, and must be signed out by a parent or guardian in the school office. A note stating the time the student is to leave should be sent to the office in the morning of any medical or dental appointment. The student will meet the parent in the office.

#### **TRANSPORTATION CHANGES:**

If your student needs to go home a different way than usual, a note must be sent to the homeroom/classroom teacher indicating the change in means of transportation.

#### **TARDY:**

Students who are a few minutes tardy should report to their classroom as usual and the teacher will indicate the tardiness on the attendance sheet. If the attendance sheet has already been turned in to the office or the student is more than 10 minutes late, the student needs to report to the school office. The office will then record the student's tardiness and issue an admit slip to the student.

4. Holy Redeemer will take all reports of bullying very seriously. We at Holy Redeemer will support our students and parents when bullying is reported.
5. The Olweus school rules will be posted in classrooms and throughout our building.

Our school embraces the following as school rules against bullying:

- We will not bully others
- We help students who are bullied.
- We will include students who are easily left out.

- When we know somebody is being bullied, we will tell an adult at school and an adult at home.

## **DISCIPLINE POLICY**

At Holy Redeemer School, pride is taken in the fact that our students are expected to behave in a Christian manner. Respect, good manners and good behavior are expected from our students at all times. Holy Redeemer School believes that students must be responsible for their actions. Discipline is a process in which the learner accepts responsibility for his/her actions and follows rules for the good of the group. Good discipline starts in the home because parents are the first and most important teachers. We recognize the fact that without the support of parents we have no effective discipline program in the school.

The school continues to expand and develop good behavior in an atmosphere that provides for maximum achievement for all students. Students are expected to respect the rights and property of others. They are expected to respect the authority of those responsible for their supervision. It is felt that, in order for our students to live a truly Christian life, they must first learn to be honest, hard-working, and polite, self-disciplined, and have an awareness of the needs of other people.

The purpose of discipline is to help the student accept responsibility for his/her actions in order to lay the very best foundation in preparation for a happy and successful life. Students will be held responsible for their behavior. Each teacher shall develop a discipline plan for the classroom and discuss it with students. Consequences and penalties are the result of a lack of self-discipline, poor choices, and mistakes. Teachers shall take appropriate action when misbehavior occurs. They will acknowledge the good behavior of students with positive reinforcement. Each student and parent will sign the Code of Christian Conduct. Holy Redeemer School does not use seclusion and restraint.

## **JUNIOR HIGH DISCIPLINE/DETENTION PLAN**

### **DETENTIONS:**

The school and Athletic Club sponsor activities such as wrestling, basketball, soccer, softball, baseball, track, cheerleading and volleyball. Students may also participate in activities such as: school sponsored dances, clubs, academic teams and competitions, and musical experiences.

It is important that students learn to regulate and balance their time when participating in extra-curricular activities. The following policy is enforced in the school for eligibility in school or Athletic Club extra-curricular activities.

1. Holy Redeemer operates a school for the total Christian education of children of the parish. Academic achievement must be held in the highest priority, therefore, each student is required to maintain a "C" average with no grade of "F" in order to be eligible to participate in extra-curricular activities.
2. Holy Redeemer School believes in proper Christian training of the whole person. Therefore, a student whose behavior which is not consistent with this aim will not be eligible to participate in extra-curricular activities. This is indicated if the student receives three "Ns" or one "U" in conduct or effort.

Any failure to meet the academic or conduct expectations of the school may result in suspension from extra-curricular activities at any time. Suspensions, becoming effective upon the issuance of the report card, remain in effect for three weeks. At the end of the three week period grades are checked. All students who have improved academically or behaviorally to meet the eligibility guidelines will be declared eligible. The suspension remains in effect for those who have not met the guidelines until such time that they become eligible. At the end of the initial three week period, a weekly check will be made to determine eligibility through the end of the grading period.

## **ATHLETIC ELIGIBILITY**

### **ELEMENTARY SPORTS FOR EVANSVILLE FEEDER SCHOOLS**

Athlete must not be failing any classes. Grades will be reviewed as report cards are issued whether that be on a 6 or 9 week cycle. Upon release of a report card not meeting minimum standards, the student will be suspended from play for 15 school days from the day report cards go home (student may practice with the team). On the 15th school day, the grade situation will be reviewed by the school administrator. At that time, the student will be reinstated to the team if the grade problem is corrected. If the grades are not up to standard, the student will continue play suspension and the right to practice will also be suspended for three more weeks. After the second fifteen school day play and practice suspension, the grades will be reviewed again. If grades are up to minimum, the student will be returned to eligibility. If the grades are still inadequate, the student will be removed from school team and denied practice and play until the student receives a report card that is up to minimum standards.

Students who are academically ineligible at the end of the school year will be able to participate on sports teams but will be closely monitored at the beginning of the next school year.

Exceptions on academic eligibility to participate can be granted at the discretion of the school administrator for

appropriate reasons. It is expected that any exception will be documented for future reference.

Students may be disqualified from participation in sports activities based on behavioral reasons established by individual schools.

### **STUDENT EVALUATION**

Holy Redeemer School administers the state mandated Indiana State Test of Educational Progress (ISTEP+). Grade levels not involved in the ISTEP+ program may receive other forms of standardized testing when mandated by the Holy Redeemer Education Commission. Test results will be shared with parents or guardians. High School placement tests are administered by Mater Dei and Memorial High Schools to the eighth grade students in January.

Kindergarten students are administered the Boehm Test of Basic Concepts when they enter school in the fall.

Evaluation for special education is available at Holy Redeemer School through the psychological services division of the Evansville-Vanderburgh County Schools.

Daily student evaluation is the responsibility of the classroom teacher. Each teacher must develop a grading procedure for the class. Questions concerning individual classroom evaluations should be addressed to the appropriate teacher.

Edline information and a secured password will be issued to parents in registration packets.

### **REPORTING SYSTEM**

Report cards are issued every nine weeks. They are to be signed by parents and returned to the student's homeroom teacher within a week. All subjects receiving a letter grade will be included when calculating grade point average and honor roll. Grades will be calculated on a 4.0 scale. The teacher may add a + or - to the grade for information purposes for the student, but points will not be used for + or - in calculating a grade point average. Students in grades 4-8 who excel each grading period achieve the honor roll. Criteria are High Honors - 4.0 average. Honors - a minimum of a 3.0 average with no Ds or Fs.

Holy Redeemer's Grading Scale is as follows:

- 100 - A+
- 95-99 - A Outstanding
- 93-94 - B+
- 88-92 - B Above Average
- 86-87 - C+
- 78-85 - C Average
- 76-77 - D+
- 70-75 - D Below Average
- 0-69 - F Failure

### **PROMOTED/RETAINED/ASSIGNED**

Whether a child is promoted, retained or assigned depends upon several areas of consideration:

- Social and emotional maturity of the student
- Potential aptitude
- Academic progress
- Excessive absenteeism affecting one of the above

All of these areas are considered and decisions are based on the best alternative for each individual. The decision is made by the principal after consultation with teachers and parents.

Promotion means that a student has met all curriculum requirements for that grade and moves on to the next.

Assignment means that the student has not mastered all curriculum requirements and that significant deficiencies exist. However, it appears to be in the best interest of the student to move to the next grade. Assignment should be seen as a "red flag" and a notice that parents, teacher and student must create a plan to remediate the deficiencies.

Retention means that the student has not achieved the basic curriculum and will repeat the same grade. A decision to retain a child is made only after other remediation techniques have failed, and it is seen to be in the best interest of the child. The teacher will be expected to develop a remediation plan for a retained student after consultation with other teachers.

If a teacher is considering the retention of a child, the parents and the principal are to be consulted no later than the end of the fourth grading period. Close contact with all involved will result in a decision in the best interest of the child.

#### **PARENT-TEACHER CONFERENCES**

Parent-teacher conferences are scheduled formally after the second grading period. Holy Redeemer School wants the best education possible for the child. We believe that parents, teachers and students working together can create the best Christian education program possible. The Holy Redeemer staff will do all it can to help with any area of concern. Parents are urged to call teachers and discuss any concerns or share positive input. It is important that we maintain mutually supportive communication and frequent parent initiated communication is encouraged.

#### **NEWSLETTER**

Each full week on Friday or on the last day of school for any particular week, the school will send home a newsletter, the **SPOTLIGHT**. We depend on parents to read the newsletter in order to know what is happening and what is changing at Holy Redeemer School.

#### **DISMISSAL OF STUDENT**

A student will be dismissed only to those people who are listed on the Emergency Card unless there is a written note from the custodial parent. Emergency requests for alternate dismissal will be taken from their custodial parent by phone if the caller can be reasonably confirmed.

#### **PHONE**

Student Cell phones are to be powered off from 7:30-2:35 every school day.

#### **PARTIES**

Generally, parties in school are not to be held during class time. Valuable learning time is curtailed if parties are held for all the occasions which come up during the year. Class parties may be held for a limited number of holidays. Room parents will be asked to help with these activities. Personal correspondence from home will not be handled in the classroom ie: birthday invitations, thank you notes, etc...unless ALL the boys or ALL the girls or the entire class are included.

#### **FIELD TRIPS**

An outgrowth of the more diversified approach to the learning needs of the students is the utilization of field trips. Guidelines for these trips are as follows:

1. The field trip is a definite learning experience.
2. The students are prepared for the observations they will make on the trip.
3. The students are given a follow-up assignment which will help them assimilate the knowledge they have gained from the field trip.

Trips involving a great deal of travel are discouraged in the case of elementary school students.

An adequate number of responsible adult chaperons will accompany the students. Parents may be asked to assist in supervising. All trips are considered an official extension of the school day. All general school rules apply to students on these trips. Without a signed permission slip, a student will **NOT** be allowed to go on the field trip. Information to the parents will include the date, purpose and destination of the field trip, the expense, and means of transportation and approximate time of return.

## **SCHOOL SUPPLIES**

School supply lists are issued on the last day of school and on registration day. The individual grade levels issue lists that apply to their levels.

## **VISITORS**

In order to protect the children, it is important that ALL VISITORS REPORT TO THE OFFICE UPON ENTERING THE BUILDING. Visitors must use the West wing School entrance off the West parking lot between 8:00 a.m. and 3:00 p.m. and ring buzzer for permission to enter. For SACC pick-up the back door must be used after 3:00 p.m.

Forgotten lunches or other items should be left in the school office rather than taking them to the classroom. The secretary will see that the student receives the item.

## **HEALTH**

An Emergency Procedure Card for each student is kept on file in the school office. In the event of an accident or student illness, a member of the school staff will contact the parent. If a parent cannot be reached, the person listed on the Emergency Card will be called.

Use of chemicals for routine maintenance or pest control will generally be used after the school day.

Students will be excluded from school if they have a communicable disease transmissible through normal school contacts that would pose a threat to the health or safety of other students. Students should be fever free for a 24-hour period before returning to school unless they have written permission to return to school from a physician.

The school should be informed by 9:00 am (422-3688) if a student will be absent. If a student is absent and no call is received, parents will be called by the office. Calls are not expected when absences have been pre-arranged.

Parents should be aware that the school does not have a nurse on duty. All health checks and records are maintained through the efforts of PTO volunteers and any health professionals are encouraged to offer their time and talent. Recommendations from the Indiana State Board of Health are utilized in health matters. All students are weighed and measured at the beginning of the school year. Vision and hearing are checked in the fall and students in grades 5-8 are given a scoliosis screening. Health records are reviewed and parents of any child whose health and immunization records are not up-to-date will be notified. Any child who is not in compliance with state law concerning immunizations will be excluded from school until documentation of compliance is presented to the school. The following immunizations are required: Diphtheria, Whooping Cough, Tetanus, Measles, Rubella and Polio.

The school requires that ALL students in grades K-8 have physical examination records on file in the school. In addition, state law requires that all children receive an eye examination by a vision specialist (optometrist or ophthalmologist) prior to their entry into school for either kindergarten or grade one.

## **Wellness Policy**

In the interest of promoting healthier habits in students, the U.S. Department of Agriculture recently verified that all schools, including private schools, which participate in the National School Lunch Act or the Child Nutrition Act, must develop a School Wellness Plan for the 2006-2007 school year. Each school in the Diocese of Evansville will engage students, parents, teachers, food service staff, and health professionals in developing, implementing, monitoring, and reviewing school nutrition and physical education policies. To achieve these goals, schools will form wellness committees, set campus nutrition guidelines, and determine nutrition education and physical activity opportunities. Copies of the plan can be found in the school office.

## **MEDICATION**

Any prescription medication to be administered by school personnel must be accompanied by the

"authorization form" found in the back of this handbook. Medications must be in the original pharmacy container. Parents may want to ask the pharmacist to provide additional containers so that part of the medication may be kept at school and the child will not have to carry medication to and from school. Whenever possible medication should be administered at home rather than during school hours. Any student needing to take any type of medication, including cough drops, over the counter drugs, etc., must present the medication at the school office in the original pharmacy container with a note from the parent stating the following:

- a. type of medication
- b. dosage
- c. time to be administered
- d. any possible side effects
- e. signature of the parent

No medication of any sort, prescription or non-prescription will be given to a student without consent of parent or guardian. A medication permission form, available from the office or found at the back of this section, must be filled out in advance of a student receiving medications from the office. Medication found in the possession of a child will be confiscated and parents will be contacted. The school does not have a registered nurse on staff.

Whenever possible, dental and doctor appointments are to be made outside of school hours. If students miss classes because of appointments, they are expected to make up the missing work. Students who have an appointment must bring a written note from a parent to the office at the start of the school day.

**Neither Holy Redeemer Parish, nor the Catholic Diocese of Evansville, is the insurer of the student's health and safety while the student is at school or engaged in school supervised activities, including sports.**

In 1986, Congress passed the Asbestos Hazard Emergency Response Act. That law requires all schools, K-12, to be inspected for asbestos-containing building materials. This School has complied with the federal Asbestos Hazard Emergency Response Act by completing the following requirements:

Inspecting all facilities for both friable and non-friable asbestos-containing building materials. Samples were taken during the inspections of all materials suspected of containing asbestos, and the samples were analyzed at an EPA-accredited laboratory. A Management Plan based upon the inspection report and laboratory findings, outlining the administration's intent in controlling and abating any asbestos-containing building materials is available for inspection at the parish office.

## **EMERGENCY PROCEDURES**

Regular fire, earthquake and tornado drills are held to instruct students in appropriate procedures in case of an emergency. For the safety of all, silence and walking are insisted upon during these drills.

### **SNOW DAYS**

If school is canceled or delayed because of snow or ice, it will be announced over the radio and TV stations in the early morning hours. Similarly, if school is dismissed early because of snow or ice, it will be announced over the radio and TV stations. School Reach will contact all families with weather or emergency instructions using phone numbers that you provide.

### **SPECIAL SERVICES**

Special services are provided by the Evansville Vanderburgh School Corporation in compliance with applicable federal and state laws. Presently, Holy Redeemer School provides on-site services in the area of speech, hearing, and learning disabilities. Evaluation services for students who may require special testing and assessment for special education are available.

Holy Redeemer School does not discriminate against students on the basis of race, color, sex, age, national origin, disability, or any other status or condition protected by applicable state or federal law.

Special education classes are not offered by Holy Redeemer School, but reasonable accommodations will be made for students who can be largely mainstreamed into general education classes. The Evansville Vanderburgh School Corporation provides limited services for Holy Redeemer students who qualify with learning disabilities.

### **VISITING SPEAKER POLICY**

All speakers are to be approved through the principal's office. An agenda of the presentation will be approved and the speakers will be expected to adhere to the approved agenda. If possible, parents will be notified of the speaker and topic before the presentation and will be invited to such.

### **VIDEO AND FILM POLICY**

Audio-visual presentations should relate to instruction with a well-developed educational objective in mind. Classroom movies for entertainment or reward should be restricted to a few select times during the school year. All media presentations should be age-level appropriate. Movies that are intended for rewards should relate directly to pre-set disciplinary or reward programs.

Recognizing that certain movies that are rated PG, PG-13 or unrated can have value, academically, to the children, these should be previewed and cleared with the principal to decide whether parental permission should be sought, film edited, or not shown at all.

Cooperation in recognizing the sensitivity that is present on the part of parents is essential. The designation PG stands for "parental guidance" and we do not wish to usurp that right from parents.

### **BUS SERVICE**

Transportation is a parent responsibility. Limited transportation is offered to and from school on public school buses at no cost, but sometimes may not provide delivery of the student so that he/she is not tardy. Parents must keep themselves informed of what service is available to their area and age of child. Questions concerning bus routes, pick-up times and places, etc., should be directed to your bus driver or the Bus Transportation Office of the EVSC, phone 435-8263.

Students riding buses are expected to follow all bus regulations and bus driver directions. Failure to behave in a reasonable and safe manner will result in losing the privilege of riding.

## **SCHOOL RECORDS**

The responsibility for development, maintenance and security of a student's records falls to the combined efforts of students, parents and designated school employees. The Office of Catholic Education of the Diocese of Evansville in compliance with the "Family Rights and Privacy Act of 1987" (Federal P.L. 93-380) has established a policy regarding student records for the Catholic schools in the Diocese. You, as the student's parent or legal guardian have the right, upon written request, to inspect your child's records. Diocesan policies shall be followed.

For children not picked up by 5:30 p.m. there will be an additional charge of \$1.00 per minute late. Chronic late pick-ups will cause elimination from the program.

- The entire bill must be paid by the first day of that week or service will not be provided.
- Fees will be collected through school by homeroom teachers and sent to the parish office on Monday mornings.
- Fees will be separate from church tithing.

### **Diocese of Evansville Anti-Bullying Statement**

The Diocese of Evansville and the Catholic Schools Office (CSO) believe that each Catholic school in the Diocese of Evansville must be aware that its purpose is rooted in the mission of the Church. Each Catholic school, in fulfilling its role within the educational mission of the Church, must share and live out, through Catholic Christian tradition, the message of Jesus Christ and be committed to providing an integrated Catholic educational environment that permeates all aspects of its daily life and operations.

Bullying is prohibited in all Catholic schools in the Diocese of Evansville. It must not be tolerated during the school day nor during any school sponsored activities on or off the school grounds. Bullying and intimidation are actions that are contrary to the teaching of Jesus Christ. This behavior is against the fundamental tenet of "love your neighbor as yourself", and destroys respect for the dignity of the student, undermines the Christian atmosphere of the school, and deprives the student of a safe and caring learning environment.

Since students learn by example, school administrators, faculty, staff, and volunteers should be commended for demonstrating appropriate behavior; treating others with civility and respect; and refusing to tolerate harassment, intimidation or bullying.

Bullying as defined by the CSO, bullying is defined as any overt acts by a student or a group of students directed against another student with the intent to ridicule, humiliate, or intimidate the other student while on school grounds or at a school sponsored activity where acts against are repeated against the same student over time. Bullying includes physical intimidation or assault, extortion, oral or written threats, digital or electronic expressions/threats, teasing, putdowns, name-calling, threatening looks, gestures or actions, cruel rumors, false accusations, and social isolation.

Any person who has a complaint of bullying must bring that complaint to the attention of the school principal. Forms for reporting alleged bullying are appended to this manual and may be obtained from the school principal's office. All such complaints will be properly investigated. Every effort will be made to maintain the privacy of the charging person and the person or persons complained about. School officials will keep documentation of all bullying investigations and allegations and take appropriate and corrective action including disciplinary action measures if justified to remedy violations. A copy of an Incident Form must be sent to the Superintendent as soon as possible.

(This along with forms will be added to the Administrative Resources for Catholic Schools Manual July 1, 2014)

**After reviewing this handbook with your student(s) each person should sign below. This form must be returned to the office**
